---

Amanda, I have all of the electronic files but I am having trouble with expresslink. I believe that it is the size limitation that is not allowing me to upload all relevant files. This package needs all of the electronic files to be complete (a total of 5 with a size of 29M).

The electronic version of the paper copy you have is attached.

**Subject:** Document In-Filing - ExpressLink

Good Morning Katrina,

Yesterday I received a paper in-filing form for a Wilcox oil Company CLP document. There are only 14 pages with this one, and there was no electronic attachment in ExpressLink. I wanted to confirm with you if I had the entire document, or if there were missing pages to go with this. The information for this doc can be found below.

Doc ID: 500018262  
Case# 45299  
SDG# MF9L76  
CERLIS: OK0001010917

Please let me know if you would like me to come up and show you what I have. Thank you for your time.
